

PEREGRINE

TURBINE TECHNOLOGIES

WE ARE GOING PLACES. TOGETHER.

WELCOME.

David and I are pleased that you are going to be able to attend an in person Management Discussion & Analysis (MD&A) and Proof-of-Concept (POC) review at our facilities on Friday 2 September.

As previously mentioned, the meeting will be held at our test facility at the Wiscasset Airport. Please note the information specific to airport parking and shuttle arrangements included in this packet.

- Bob

WHAT TO EXPECT

This event will be held at Peregrine's Test Lab Facility at the Wiscasset Airport (address and directions below). There will be light hors d'oeuvres, introductions, and a tour of the facility with overview information about the technology and applications. Dinner to follow for those interested at Paul's Steakhouse.

TENTATIVE AGENDA:

- 1:00 – 1:20 PM: Meet at the designated airport parking area. There will be a Peregrine Team Member there to greet you, provide you with an information packet, and shuttle to the Tent at the Test facility
- 1:30 – 2:00 PM: Welcome, introductions, and a briefing by David and Bob
Group assignments for facility tours with PTT Team member guide
- 2:00 – 4:00 PM: Group tours of POC Test System and Mezzanine display area
- 3:00 – 4:00 PM: Return to tent reception area for shuttle return to airport
- 6:00 – 9:00 PM: Dinner at Paul's Steakhouse

Because the system operates on high temperatures and high pressures and is a "test system" not a final product, we will not be operating it during the MD&A session. We hope to have video streaming of some of the early operation.

DIRECTIONS

MD&A

Address: 96 Chewonki Neck Rd Wiscasset, ME 04578, Second Gate

The MD&A and POC Review will be at our test facilities inside the airport boundaries. To get to the secured parking area, please **proceed past** our prior office located at 96 Chewonki Neck Rd., to the next airport entrance and parking area on the left (approximately 1000'). You will see signs directing you into the parking lot where a Peregrine team member will meet you. From there, shuttle transportation will take you to the test facility.

DINNER

Paul's Steakhouse at Boothbay Harbor, 50 Sugar Maple Ln, Boothbay, ME 04537

When you arrive at the front gate of Boothbay Harbor Country Club, please state that you are with Peregrine and they will open the gate. Go left at the split in the road, and restaurant parking is to your right.
