SESSION 2

Company Benefits

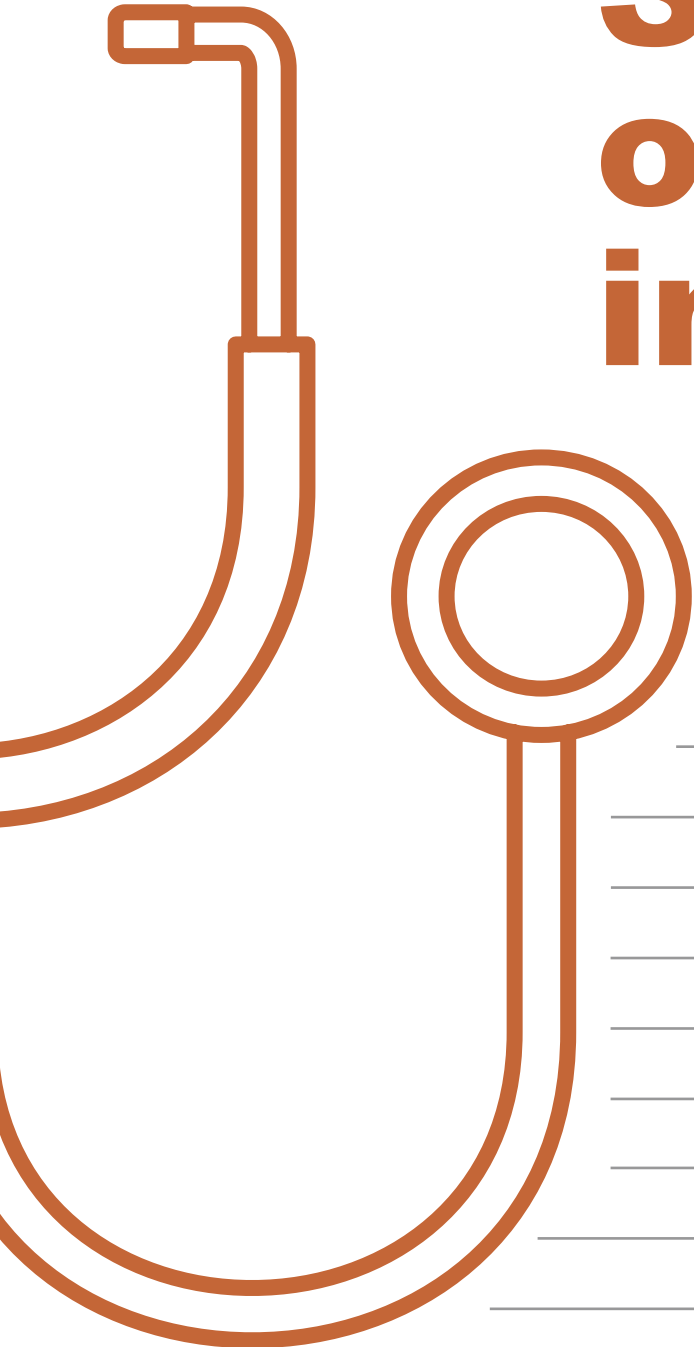

Kathleen Crawford
VP Benefits Consultant
Bailey & Company

In this session, you will learn

- The state of the industry
- Benefits in a post-Covid world
- How people prioritize benefits

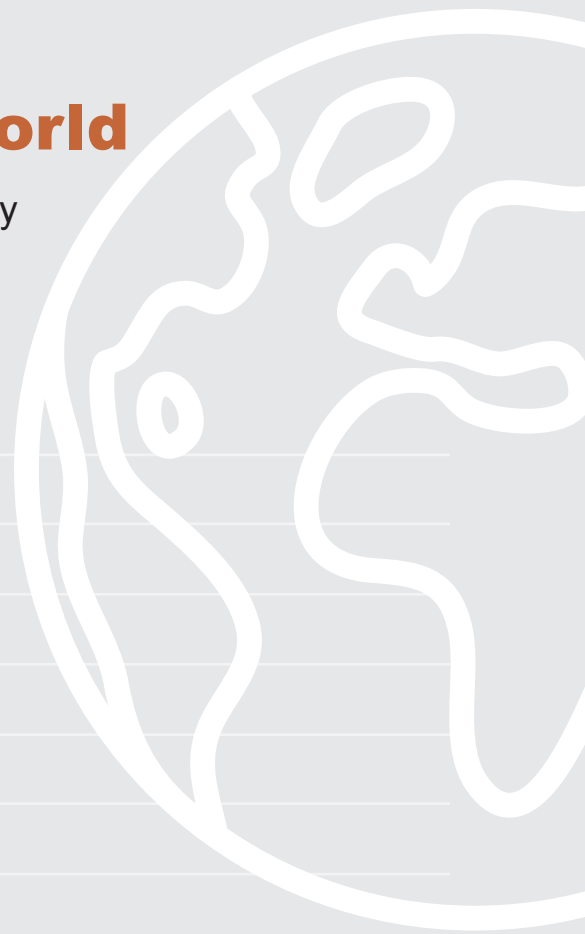

State of the industry

Benefits in a post-Covid world

Post Covid, has your company done anything differently from a benefits stand point?

What is the best thing they have done?

How people prioritize benefits

What is the one thing that if you were on the benefit committee you would identify as a priority to review in the next 6 months?
